### What is the Communique?

The Communique provides the latest up-to-date leading-edge research from the Reef and Rainforest Research Centre. The Communique is compiled to assist you to make informed decisions for your future.

RRRC thanks Nigel Weston (fauna crossing); Wet Tropics Management Authority (striped possum); Rainforest CRC (Kylie Goodall in the rainforest surrounding the Australian Canopy Crane); Stephen E. Williams (*Litoria infrafrenata*) and Adam McKeown (Earthwatch team led by Dr David Westcott) for use of photographs
